Terms & Conditions

Personnel/ Working Hours

- Our bid is based upon personnel working normal daytime hours 8 hour work day and 40 hour work week and does not include working in an ineffective manner i.e. working in the rain or unsafe working conditions.
- Boulder Landscaping is an open shop contractor, non-signatory to any labor agreements. This proposal is based on non-prevailing wage rates. This work is based on non-union labor.
- This proposal is based on performing the work in one continuous operation and includes one mobilization of equipment to and from site.

Utilities, Traffic, and Permitting

- Boulder Landscaping has not included any permits or fees for this work in this proposal. Permits and fees if required are to be supplied and paid for by others including street closure and traffic control plans.
- Water meters, fees, permits and cost for water not included in proposal.
- Boulder Landscaping is not responsible for underground or overhead utilities or their re-routing.
- Boulder Landscaping is not responsible for unmarked private utilities.
- A minimum of (48) hour notice prior to mobilization must be provided for proper underground utility marking, etc. in public areas.
- The owner shall be responsible for identifying and marking all underground utilities within in the work site. Verdant Landscape shall accept no responsibility for damage to any unmarked underground utilities.

Scope of Work/ Project Specs

- No import or export soils are provided in this proposal except as noted in the materials list. All planting spoils to be used on site.
- Equipment access roads and level crane pads are to be provided as the time of installation and approved by Verdant Landscape.
- Any and all concrete or asphalt cutting, demolition and removal, to be performed by others.
- Hardscape, electrical, demolition, surveying, metal work or waterproofing, not included.
- Unless noted otherwise, no demolition work is provided for in this proposal.
- Boulder Landscaping will receive the site clean and free of weeds and construction debris and in finish graded condition (plus or minus 1/10th foot)
- Site is to be readily accessible to smooth bucket skip loader, forklift, and workmen with hand tools, semi truck and trailer.
- Cutting, patching or penetration of planter walls is not included. Coring of structures has not been included. Others will provide all necessary penetrations into existing planters, etc. Sealing of these penetrations to be by others also.
- Waterproofing, protection boards, and topping slabs shall be completed, in place and tested by others.
- Specified plant material is subject to availability at the time of construction.

Irrigation

- Boulder Landscaping shall be given sufficient notice to place irrigation sleeving prior to paving and/or curbing or wall footings being poured.
- No hardscape (asphalt, concrete, etc.) cutting for purposes of installing irrigation piping, wires, etc. is provided for in this proposal.
- Irrigation to be taken from provided point of connection no meter installation included.
- Irrigation to be installed per plan no deviation from plan has been included. Any necessary irrigation modifications to be billed at time and materials
- Power (110v) P.O.C. for irrigation controller will be provided by the Owner

Warranty

- Boulder Landscaping will warranty plant material for the duration of the grow season. Warranty

is void if plants are non-irrigated or has a non-functional irrigation system.

- Boulder Landscaping will warranty the irrigation system, with regards to material quality and workmanship for (90) days from the date of installation.
